

Report for 25 December 2005

Circuit: Musvuugwa

Teacher: Majoni U (Mrs Mucheche)

- Lesson plan
- Conference
- Meeting
- Challenges
- Mission

Introduction

Greetings in the name of our Lord Jesus Christ. It is with great joy that I present to you this report for the year. As we reflect on the past 2 (months, we are reminded of God's faithfulness and provision. Our theme for the year has been "Train up a child in the way they should go" (proverbs 22.6) and we are grateful for the opportunities to serve and minister to our children.

Its been a blessed year serving as a children's ministry teacher. Here is a summary of our activities and achievements.

Meeting and workshops

During the year 2025 we had several meetings and workshops. Monthly meetings held at Zvishavane focusing on lesson planning, spiritual growth and team building. Quarterly workshops conducted at circuit levels, equipping teachers and leaders with skills and knowledge to serve children effectively.

National conference

We had a national conference at Mberengwa District early December which had been attended by over 600 children with themes and activities that promoted spiritual growth and fun. We managed to engage with Bulawayo, Gweru, Kwekwe and Zvishavane districts, spreading God word and building relationships

Graduation ceremony

We had a graduations for the Sunday school at every circuit. Successful graduation ceremonies held for Sunday Schools to youth fellowship, celebrating the transition of children to the next stage of their spiritual journey.

Challenges

Shelter:-inadequate infrastructure and resources hindered some activities

River:-flooding during the rainy season made it difficult for children to attend lessons

Absenteeism:- cattle heading and other responsibilities kept some children away from church activities also limited resources.

Mission

- Nurturing young minds and hearts for Christ laying the foundation for future leaders
- Providing a safe and supportive environment for spiritual
- Building a strong church community and a long lasting future generation

Looking ahead

Continue to pray and support our children as they grow in faith and knowledge of God.

Plan for more impactful events and activities in the coming year

Seek opportunities to partner with parents, community and other organizations to serve children better.

May God bless our children ministry and guide us as we serve him

We give all glory to God for the accomplishments of the past year. We are grateful for the dedication of our teachers, leaders and volunteers who have served faithfully. We also thank our sponsors who have supported us financially and practically enabling us to reach more children with the Gospel. May god bless you all and may we continue to work together to advance his kingdom.

Report for November 2025
Musvuugwa Circuit Chivi
Teacher: Majoni U

- Lesson plan
- Workshop and meeting
- Activities
- Challenges
- Mission

Introduction

Greetings to you all in the mighty name of Jesus. Well back here I'm okay and I do hope you are doing very well.

Lesson plan

During the month of November we were very busy as we are to the end of the year of 2025. We did several services and we went a lot during the month since we are facing more activities

On the 1st week we had a service at Musvuugwa where we met with Sunday School team. We are practicing though we are going to graduate and some are planning to go to the conference. This month was a month of practicing. We meet every Sunday at one point as for others to be our centre. Our main mission was practicing and make sure that everyone had manage to make it without fail. We practice our hymn song also drama. Some were busy reading bible for quiz competition.

Workshop

On the 29th of October we had a workshop at Sibozza Circuit. We had good time there. It was between teachers and the leadership. We discussed about how children's ministry should be taken over the church. The duties, position of children's ministry in the church. All was well and understandable this brings out a good picture to both teachers and the leadership.

Meeting

We had a national meeting which engaged the GKD, Bulawayo and Zvishavane districts. We had a good time there and we had discussed about the National conference which is going to be held at Mberengwa office at Christine College. This will be done on the 1st week of

December 5-7 December. We discussed about the food and accommodation all those and stuff that should be needed to cover up the conference. We all agreed on one point and the meeting was well and we are waiting for the day to come.

Activities

According to the program we are running over we are doing different activities since we are facing two things in the month of November. We need to graduate some other children about 35 and some are in preparation to the conference at Mberengwa early December. So we are doing our best to come up with better results. People are enjoying every minute some are willing to go to Mberengwa so they had an excitement.

Challenges

Since it is rain season some of our children are now cattle headers and some look after the fields. So our number is decreasing and it's not fair to others since they will miss their colleagues. Even to us as teachers we are losing our children. Apart from that we do not have shelter in both churches so we had a big challenge when it comes to children. They had no place to hide when it rains. Long back it was much easier since we can hide sun under a tree as compared to rain. It is very difficult. As a teacher I am facing a big challenge some streams are heavy so that when they are flooded I can't cross over. As a result I will miss my lessons with other children.

Mission

My mission is to build and create long-lasting future generation for better tomorrow. To groom the young ones and also kept the church's foundation in motion. Finally we thank you for your support always. Also wish you the best in all your ambition.

Happy Christmas
