giving is a big challenge because the church is full of peasant farmers and most of them are not gainfully employed and struggling to make ends meet.

I have noted that some are giving less than \$5 as their total Sunday Collection.

**SECTION 7. CONCLUSION:**

It is pleasing to see that overall the church pulled through very well throughout the year. I hope God will lead us through and start on a high note.

Comments: We had an outreach at Sharavande reaching out to the lost and backsliders. Two women received Christ. We fellowshiped and encouraged backsliders at their homes and the attendance was very pleasing. We also had a Combined Youth Sunday at Msipani Church and the service was fully packed with visitors from their respective villages. It was quite encouraging to see them participating in singing with our youth.

Comments: Our church membership is 407 compared to that of last year which was 380.  
 # This is because of our targeted evangelism where we go door to door.  
 # Our main focus for 2026 is chinba church with the help of the Allmight. It is my prayer that we will revive the church at least with 80% of its population 2025.  
 # we are going to achieve this through outreach and revivals and our main focus is evangelism.
