The Sunday service was blessed by Mrs Moyo, read the word of God from the Bible. We had lessons from the hope for children were very active and most of them had mastered some memory verses and answer section and the response was good.

We had an opening prayer from one of children. The word of God was read from the book of Genesis 6 vs 22. Children were very happy because they sung using the words from the verses. After the word we asked questions about what we had learnt and children proved to have understood the word of God. It was nice to see children wishing to have stayed longer and then we dismissed.

R. SHOPERA NOVEMBER 2025

GAN`A CIRCUIT

Introduction

As I reflect on the month of November, I give thanks for God's presence and work in our church. This report highlights key activities, milestones and spiritual growth within the Children's church. My family is doing well and I will always thank the Lord for his love and care.

Activities achieved

- Attended Sunday service
- Baptism
- Home visits

Sunday service

At Hanawa church the attendance was good and I was privileged to work with the youngest group it was fun and exciting. Everyone wanted to share their stories. How they spent their time at school. Children's ministry had an opportunity to sing. Recite their memory verses and dance in the church. At Gan`a church the children attended almost all age groups and we had a good service at Mrs Masuma. We were blessed to have Pastor Ngazimbi on this day and we proudly say it was our day as the Children's church. The Pastor highlighted the importance of taking good care of children as well as guiding them with correct and sound teaching. As usual the children showcased their talents through various activities such as singing and dancing. There was a great improvement on how the teachers conducted themselves when dealing

with the children and this marks the importance of refresher trainings on our teachers.

Baptism

It is with great joy reporting six baptism this month, as two of our young friends from Children's ministry made a public declaration of their faith in Jesus Christ. We thank God for the opportunity to teach and mentor these young minds and hearts, guiding them on their spiritual journey

Home visits

We visited around three families in the Mutema area, sharing God's love and building meaningful relationships. Our goal was to provide support and encouragement, reminding them to continue doing well and serving the lord. We pray that our visits brought joy, hope and encouragement to teach family and we are grateful for the opportunity to serve alongside them.

Prayer requests

Pray for continued growth in faith for our children.

Wisdom and guidance for teachers and families.

Pray for my family. Amen
